Juror's Statement

- Juror -
Laurin McCracken

It is such an honor to be the juror of the watercolor exhibition in one's hometown. I am pleased to report that the quality of work presented this year was above average. It was relatively easy to select enough paintings to fill the show. My quandary came when it was time to select the award winners. As in most exhibitions there were a number of standout paintings. After that I could have awarded twice as many awards if I was able.

If your work is in the exhibition, you should be proud of your accomplishment of being selected into this field of fine art. If your work was not selected don't fret, just keep painting, and recognize that the work in this exhibition has set a new high in quality.

Congratulations to the award winners, the painters whose work was selected and all who entered.

The Society of Watercolor Artists (SWA) is the only art association in Tarrant County dedicated exclusively to water media.

SWA is in its 41st year and continues to draw international attention to its annual exhibitions:

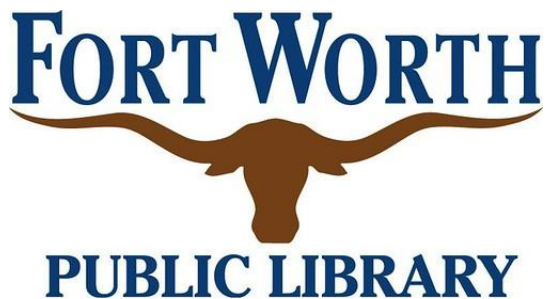

the International Juried Exhibition and the Juried Membership Exhibition.

Signature status is awarded to those artists who are juried into five SWA exhibits while maintaining a current membership

(disqualified pieces do not count.) Monthly meetings are held at the University of North Texas Health Science Center,

Everett Hall and further the education of water media use through live demonstrations.

SWA hosts our annual Juried Membership Exhibition in the fall of each year.
