The Society of Watercolor Artists (SWA) is the only art association dedicated exclusively to water media in Tarrant County.

SWA celebrated its 35<sup>th</sup> anniversary this year and continues to draw attention to its annual juried exhibitions.

Signature status is awarded to those artist who are juried into five SWA exhibitions while maintaining a current membership (disqualified pieces do not count.) Monthly meetings are held at the University of North Texas Health Science Center, Everett Hall, and further the education of water media use through live demonstrations.
