33rd International Juried Exhibition

President — Darla Bostick

Exhibition Chairs — Mary Stitt and Bob Cook

The Society of Watercolor Artists is proud to present the 2014 International Exhibition. We want to send special thanks to the Central Library of Fort Worth for again hosting this prestigious body of work. Entries were sent by artists residing in 21 of the United States as well as several countries including Singapore, Israel, China, Malaysia and Canada. It is always a pleasure to view works of such a broad cultural base. The SWA International Exhibition continues to grow and become more prominent. This marks our third year since growing our National into the International Exhibition. We believe this not only shows our dedication to the arts but by reaching out beyond our borders to artists everywhere we share our common love of painting.

This exhibition is the first year we have used a new entry process with CaFE' (Calls For Entry). We appreciate the many hours Celeste McCall contributed in working behind the scenes to make that possible. Many thanks also to the extraordinary patience of our participants as we learned the new system.

Juror – Steve Rogers, AWS, NWS, TWSA

I'd like to thank Bob Cook, Mary Stitt, Lynne Buchanan and all the members of the committee for having me serve as the judge for the 2014 SWA International Exhibition. It has been an honor and privilege to view the excellent work submitted and to select the show. All the artists represented in the exhibition should feel proud of the work I accepted and awarded—it was very difficult to make these decisions because of the overall high quality of the paintings I reviewed.

For an insight into how I judge watercolor exhibitions visit this page on my website: <http://www.watercolorsbyrogers.com/pages-steve/judging-steve.html> and scroll to the bottom of the page. Thanks!

About the Juror

He was the Chairman of the Jury of Awards for the 2010 AWS Exhibition and he is this year's Juror and sole Awards Judge for TWSA. Steve's work has been featured in *Watercolor Magazine*, *Watercolor Magic*, *International Artists*, *l'Art de l'Aquarelle*, *Pratique des Arts* and in four books: *Expressing the Visual Language of the Landscape*, *Secrets from the Contemporary Watercolor Masters, vol. 1 (in Chinese)*, *The One Hour Watercolorist*, and *A Gallery of Marine Art*. The Society of Watercolor Artists (SWA) is the only art association dedicated exclusively to water media in Tarrant County. SWA celebrates its 33rd anniversary this year and continues to draw international attention to its annual juried exhibitions: the International Exhibition and the Membership Exhibition. 2014 is the third year to host the international Exhibition. Signature status is awarded to those artists who are juried into five SWA exhibits while maintaining a current membership (disqualified pieces do not count). Monthly meetings are held at the University of North Texas Health Science Center Everett Hall and further the education of water media use through live demonstrations. There is also an Annual Invitational Exhibition honoring our volunteer members.
