PRESIDENT'S STATEMENT

What joy to visit an art exhibition that shares the talent of its members. The Membership Exhibition continues to improve each year. It is exciting to view the spectrum of subjects and the degree of technical skill in the use of one medium...watercolor. It is an honor to be associated with the artists who are the Society of Watercolor Artists! Many thanks to our Exhibition Chairs and those who made this show a reality. The Executive Board is to be commended as the 2013 Membership Exhibition ushers in a prize fund that more than doubles previous awards for our members. The success and growth of SWA should be shared with our members. The prizes for this show represent \$2500. The Robin Brown Memorial Award is a new exhibition award that honors a member who will be missed. Robin's tireless dedication to our organization was seen as she represented SWA at the Japanese Gardens and delighted us with refreshments at meetings and receptions as hostess.

Darla Bostick, SWA President

EXHIBITION CO-CHAIRS' STATEMENTS

I have chaired many SWA shows, and every time I am surprised and delighted by the unique "personality" of the show brought to it by the artists and their paintings. I am always so proud to be a member of this group of highly talented painters. With this show I am again in awe of your work. SWA has done it again!

Mary Stitt, Exhibit Co-Chair

It was a great experience to work on the SWA membership show. My partner, Mary Stitt, and our knowledgeable judge, Gaile Robinson, were a pleasure to work with. The quality of the work was top notch!

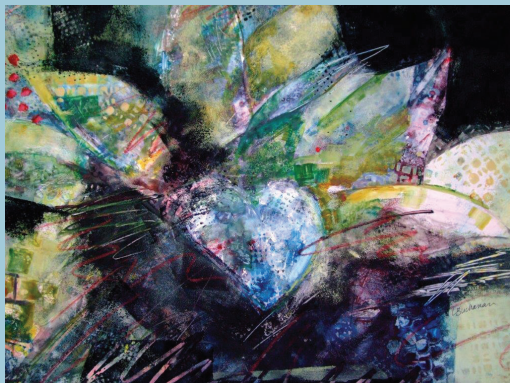

Robert Cook, SWA, NWS, Exhibit Co-Chair

JUROR'S STATEMENT

It was a great pleasure to see all the watercolor entries submitted to the exhibit. Most of them were even more impressive in real life than on the e-mails sent for inclusion, so the second round of visiting them was a great delight. I was especially taken with the variety of works and the many painting styles. You all are to be commended for your efforts.
