Society of Watercolor Artists 2023 International Juried Exhibition

Juror – Z.L. Feng

Z.L. Feng is a signature member of the American Watercolor Society, the National Watercolor Society, and the Pastel Society of America (as master pastelist). His work has been featured in *The Artist's Magazine*, *American Artist*, *Watercolor 90*, *Watercolor Highlight*, *Omni Magazine*, *Watercolor Magic*, and the *Chinese National Magazine*, *China-Watercolor*. Additionally, his paintings have been featured in five art books published and distributed worldwide. His work was shown in a broadcast that was aired on the local PBS affiliate station in Harrisonburg, VA. Feng's biography has been listed in the *Biographical Encyclopedia of American Painters, Sculptors & Engravers of the U.S.*, *Who's Who in American Art*, and *American Art Directory*.

"With watercolor you cannot cover your mistakes, so you must know what you are doing," he says. He finds inspiration for his lovely landscapes in the countryside of the New River Valley: "Usually I go around to the river, the forest, the lake – to try and find interesting compositions." Those familiar with Feng's art are also captivated by his portraits of the people of Tibet, Native Americans of New Mexico, Southern farmers, and others. "Capturing the personality and character is very important, and painting eyes is the most difficult aspect of portraiture," he says. "I concentrate on serious portraits expressing my subject's character, their life struggle, and their vision. I am still learning and experimenting. My goal is to develop empathy between the viewer and my subject."

The Society of Watercolor Artists (SWA) is the only art association in Tarrant County dedicated exclusively to water media.

SWA is in its 42nd year and continues to draw international attention to its annual exhibitions:

the International Juried Exhibition and the Juried Membership Exhibition.

Signature status is awarded to those artists who are juried into five SWA exhibits while maintaining a current membership (disqualified pieces do not count.) Monthly meetings are held at the University of North Texas Health Science Center, Everett Hall and further the education of water media use through live demonstrations.

SWA hosts our annual Juried Membership Exhibition in the fall of each year.
