2024 SWA JURIED MEMBERSHIP & SMALL WORKS EXHIBITION

Juror – Lisa Tennant

Lisa Tennant, TWS, is a painter working with themes of urban landscape, botanical and nature, figurative and occasionally abstract expressionism which are each interwoven in graphic shapes and angular perspective and textured with weathered and distressed surfaces, colors, and patterns found in nature.

Tennant holds a BFA in painting and graphic design an MA in painting, and MFA in watercolor painting. During her graduate work she won a graduate art purchase award from EMU, was a board member of the Michigan Water Color Society, and was a founding member of the EMU Watercolorists organization in tandem with starting a student watercolor exhibition, which continued for 19 years after finishing her MFA.

Tennant practiced her art and professional graphic design for a number of years, eventually teaching digital design at the college level. During this time, her work became more focused, highly realistic, and detailed with close attention to the illusion of space, materials, and surface texture to the point that the works are first mistaken for photographs. Upon closer inspection the brush strokes and nature of the media become an abstraction.

During Tennant's career she has won a number of awards for both her artwork and design including Best of Show in the Scarab Club 60th Watercolor Exhibition. Her work has appeared in solo and group exhibitions in Michigan, Florida, Louisiana, Missouri, and Texas. She is a signature member and board member of the Texas Watercolor Society. In addition to her fine art and graphic design, Tennant is an accomplished author and illustrator of the children's picture book *Min Min and the Magic Garden*, also produced as a cinematic short. She has melded all of her artistic interests over the years through the mediums she utilizes.

The entries in the Membership Exhibition were judged in two separate divisions. They were split between members that have / have not obtained their SWA signature status. This allowed the juror to recognize more artists with awards.

Juror's Comments:

While many artists can do likenesses, it takes special interpretation to have more meaning in a portrait. The colors, the gaze, the painterly passages sealed it.

Juror's Comments:

The color grabbed me from the start. An analogous range and high contrast lead to its depth. The composition has great rhythm, and the natural forms draw you in.

SWA is in its 42nd year and continues to draw international attention to its annual exhibitions:

the International Juried Exhibition and the Juried Membership Exhibition.

Signature status is awarded to those artists who are juried into five SWA exhibits while maintaining a current membership
